RE: Nomination for the 2022 Scientist of the Year International Competition

Dear Professor Duncan,

Studying plenty of nominations received from various countries of the world for the 2022 Scientist of the Year Open International Competition, our international experts and the Judging Committee have thoroughly evaluated each candidate's potential and track record, as well as the scientific value and impact of their activities on the modern world and human beings.

The impressive accomplishments that you have been demonstrating over the years, along with your commitment to excellence, inspired us to recognize you as a **Winner 2022 in the Medical & Health Sciences/Herbal Medicine** category. Congratulations on winning!

In order to maximize the visibility of your work and achievements on the international level, **your personal web page "Scientist of the Year 2022 Winner"** with a unique URL containing your name has been created and published on the official website of the International Achievements Research Center: <https://achievementscenter.com/Samuel-Ato-Duncan>.

Honoring your leadership and outstanding professional achievements, we present you with a **Certificate of Recognition**. The Certificate contains a QR-code with the link to your personal web page mentioned above. Please note that the Certificate of Recognition is performed with high quality, and so has the ability to be printed and displayed.

As a Winner, you are granted a perpetual right to use the **Emblem "Scientist of the Year 2022 Winner"** that promotes your accomplishments and highlights your international recognition. You can use the Emblem in your own publicity, print it on your books, articles, and monographs, place it on your website and official pages on social networks, display it in your office, and many other ways.

Also, as a Winner, you receive the privilege to publish **your informational or scientific article** in the "International Tribune" section on the IARC official website free of charge. Please follow the publication rules and submit your article using the link: <https://achievementscenter.com/iarc-events/academic-honor-society/international-tribune/about-international-tribune>.

Your name as a Winner 2022, along with the names of other Winners, will be announced on the International Achievements Research Center website and its official pages on social networks to present and promote your win and highlight your impressive achievements in the field of Science & Technology.

We appreciate your participation in the 2022 Competition and hope to see you among the winners in the coming years as well. We wish you continued success and all the best in your future endeavors!

Truly Yours,

Dr. Michael Finnen
IARC Competition Director
